

## **KENT CRICKET TRUST**

The Kent Cricket Trust supports, promotes and encourages community participation in healthy recreation by using the power of cricket to provide opportunities for engaging in activity that is capable of improving health.

Sam Northeast and Tammy Beaumont have recently announced their support for the Trust as its leading Ambassadors. The Trust is an independent charitable trust affiliated to Kent Cricket (registered charity no: 1155485).

Fundraising and donations are a prime focus for the Trust in order for us to continue delivering activities into communities across Kent.

### ***Why support the Trust?***

- To support the promotion of community participation in healthy recreation and other activities that are capable of improving health and well-being.
- To advance the education, development and employability of the community (including children, young people & adults) by using cricket as a delivery medium.
- To provide activities for those who have a need by reason of their age, infirmity or disablement, poverty or social and economic circumstances and in doing so improve their conditions of life.
